

ARMY COMPUTER HARDWARE, ENTERPRISE SOFTWARE AND SOLUTIONS

Computer Hardware Enterprise Software and Solutions (CHESS) is the Army's designated Primary Source for commercial IT. CHESS provides a no-fee flexible procurement strategy through which an Army user may procure commercial-off-the-shelf (COTS) IT hardware, software and services through our simple, straightforward contract vehicles via the Army CHESS IT enterprise-marketplace (IT e-mart) (<https://chess.army.mil>). These contracts provide continuous vendor competition for best value and consolidation of requirements to maximize cost avoidance and leverage the Army's buying power.

DON'T SEE WHAT YOU NEED?

CHESS offers a variety of hardware, software and services contracts at significant volume discounts. Some products may not be offered through CHESS contracts, in this situation, a Statement of Non-Availability must be issued by CHESS and a Goal 1 Waiver must be obtained through CIO/G-6 in order to purchase the product. Please visit <https://chess.army.mil> and click on "Statement of Non-Availability" located under our "Hardware" section towards the top right of the CHESS IT e-mart to learn more about our Statement of Non-Availability process.
